# Waterbeach Community Primary School
# Weekly Learning Update: EYFS
# Date: 22.10.2026

## Maths

**In Maths next week the children will be:**

Practising counting objects, actions and sounds ensuring that they

- Say each object, action and sound with one number word
- Count each object, action and sound once and only once

Saying and making numbers to 5 on their fingers

Making collections of 5 in different ways

Using a die frame to represent 5

## Topic

**As part of our topic Who am I? the children will be:**

Thinking about the different festivals we celebrate and learning about Diwali traditions and celebrations.

As part of our learning, the children will be using clay to create their own diva lamp.

## English/Phonics

**In Phonics next week the children will be learning the phonemes:**

**ff ll ss j**

We will be learning the tricky words:

**put, pull, full, as**

**Rhyme of the week**: Miss Molly had a dolly

## Additional information & Reminders

**Diwali:**

If any of our families celebrate Diwali and are happy to share any photos of celebrations or information with us, please speak to your child's class teacher.

**Seesaw:**

Tomorrow we will be sending home a QR code which will give you and your child direct access to their Seesaw account. You will be able to upload posts to your child's journal which we can share with them in school. Please DO NOT share the QR code with others as scanning this gives direct access to your child's account.

**Parent consultations:**

Please ensure you have signed up for a parents evening (3rd and 5th November).

**Walk around the village**

Please get in contact if you are able to help us on our walk around the village – we do not yet have enough helpers for all trips to go ahead.

Thank you for your continued support. Please get in touch if you have any questions. Kind regards, the EYFS team.
