# Waterbeach Community Primary School
# Weekly Learning Update: Year 3/4
# Date: 6.11.26

## Maths

In Year 3 Maths, next week the children will be learning about:

- Adding a 3-digit number to a 2-digit number
- Subtracting a 2-digit number from a 3-digit number
- Learning the 4x and introducing the 8x table

In Year 4 Maths, next week the children will be learning about:

- Short multiplication
- Recapping 7x, 11x and 12x table

## English/Phonics

In English, this week the children have been learning about:

- Writing a short story - free write
- Introducing the new poetry unit based on The Lost Words.

## Topic

In **Science**, each Year 3/4 class are covering a different science topic, and this will rotate throughout the year.

- **Dolphins** – Animals including Humans – Classification
- **Sea Turtles** – Sound
- **Manta Rays** –States of Matter
- **Whales** – Animals including Humans – digestion
- **Seals** – Electricity

In **Geography**, we will be learning about why people live in a certain place and how and why settlements change over time. We will be using new Waterbeach as our inspiration for this topic.

## Additional information & Reminders

- Next Forest School is Thursday 12th – It is getting increasingly muddy on the field, so please remember your child needs a **CHANGE OF SHOES/WELLIES** to take part as we cannot bring mud into the school.
- We will be observing Remembrance Day on 11th November.

Thank you for your continued support. Please get in touch if you have any questions.
Kind regards, the Year 3/4 team.
